Amendment of Schedule VII.

12. In Schedule VII to the said Act in column 1 for serial number "22A" the serial number "23" shall be substituted and serial numbers "23, 24 and 25" in the said column shall be renumbered as serial numbers "24, 25 and 26" respectively.

STATEMENT OF OBJECTS AND REASONS.

At the fourth general election held under the Calcutta Municipal Act, 1923, the provisions of the Third Schedule to the Act came into operation, whereby, in the territorial constituencies of the Calcutta Corporation, for the previously existing separate electorates for Muslims there was substituted the present system of joint electorates with reservation of seats for Muslims. Since this change was effected Muslim public opinion has emphatically expressed the view that Muslim Councillors returned by joint electorates have very largely represented the wishes of the majority community and have not been truly representative of Muslim interests. On the analogy of the electoral provisions of the Government of India Act, 1935, it is felt that separate electorates for Muslims should be restored in constituencies of the Calcutta Corporation, and there has been, both within and without the Legislature, an insistent demand for such a restoration. The Bill contains provisions to meet this demand.

In order to safeguard the interests of other important minority communities provision has also been made in the Bill for the reservation, in the general territorial constituencies, of seats for the scheduled castes in proportion to their population strength, and for representation of the Anglo-Indian Community by the election of Councillors through a separate Anglo-Indian electorate.

It is further considered that the claim of labour for adequate representation on the Corporation can no longer be ignored, and on the analogy of the Government of India Act, 1935, provision has accordingly been made in the Bill for the constitution of a separate labour electorate, which will return elected representatives to the Corporation.

The opportunity has been taken to include certain other desirable or consequential amendments of the Act.

(*iv*) A drawing showing the method of construction of every type of cylinder it is proposed to use for the storage of compressed acetylene gas shall be deposited with the Chief Inspector of Explosives in India and no cylinder shall be so used unless it is of a design approved in writing by the said Chief Inspector.

(*x*) The compression of the acetylene shall be carried out only on such premises as shall have been approved in writing by the Chief Inspector of Explosives in India. Such approval may be withdrawn at any time by that officer.

(*xi*) No person shall charge with acetylene any cylinder unless he is in possession of full particulars and previous history of such cylinder and has otherwise assured himself that the cylinder complies with the requirements of this notification.

(*xii*) Whenever a cylinder is charged with acetylene it shall be subjected to a thorough visual examination if the history of the cylinder shows that it has not been subjected to such an examination within the previous twelve months and at the same time the valve shall be removed and the condition of the porous substance at the neck of the cylinder ascertained.

STATEMENT OF OBJECTS AND REASONS.

Experience gained in the working of Debt Settlement Boards has shown that it is necessary to amend the Bengal Agricultural Debtors Act, 1935, in order to secure a more rapid disposal of cases, to preclude non-agriculturists from being treated as debtors under the Act, and in order to empower Boards to deal with cases involving usufructuary mortgages. The Bill seeks to simplify the procedure for Boards by reducing the number of preliminary notices to be issued (without, however, curtailing the time allowed for submission of statements of claims or debts). Provision is made to accelerate disposal by eliminating certain intervals at present prescribed between successive stages in the preliminary part of the proceedings and by providing for prompt payment of fees. The Bill prescribes a procedure for dealing with debts secured by usufructuary mortgages and for the restoration of the land to the debtor. The Bill seeks to strengthen the hands of Boards in dealing with creditors who refuse to accept an offer considered fair by a Special Board and a Special Appellate Officer, and further provides for removing certain anomalies in the jurisdiction of different Appellate Officers and for facilitating their work. Finally the Bill makes it clear that for purposes of sections 33 and 34 execution proceedings are deemed to be pending till the sale is confirmed.

THE BENGAL TENANCY (THIRD AMENDMENT) BILL, 1938.

BILL

further to amend section 52 of the Bengal Tenancy Act, 1885.

WHEREAS it is expedient further to amend section 52 of the Bengal Tenancy Act, 1885 in the manner hereinafter appearing ; VIII of 1885.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Tenancy (Third Amendment) Act, 1938.

Amendment of section 52 of Act VIII of 1885.

2. In section 52 of the Bengal Tenancy Act, 1885—

(*1*) in clause (*a*) of sub-section (*1*), after the words "without any reduction of the rent being made" the following proviso shall be inserted, namely :—

"Provided that no Court shall decree any addition of rent under this clause unless it is satisfied that there has in fact been an increase in the actual area of the tenure or holding since the rent previously paid was settled ;" and

(*2*) after sub-section (*1*) the following sub-section shall be inserted, namely :—

"(*1A*) In determining in a suit under clause (*a*) of sub-section (*1*) whether there has been an increase in the actual area of the tenure or holding, the Court shall inquire as to whether the present areas of other tenures or holdings in the vicinity which were settled at or about the same time or on the same standard of measurement as the tenure or holding in suit, show increases in area compared with the area originally settled similar to that alleged in respect of the tenure or holding in suit : if such similar increases are found to exist, it shall be presumed that there has in fact been no increase in the actual area of the tenure or holding in suit since the rent previously paid was settled."

Application.

3. (*1*) Notwithstanding anything contained in any other law—

(*a*) the provisions of section 52 of the Bengal Tenancy Act, 1885 as amended by this Act shall apply to all suits instituted thereunder on or after the date of the commencement of this Act, and also, subject to such conditions as may be prescribed, to all suits under clause (*a*) of sub-section (*1*) of that section which are pending on the said date, and

(*b*) if a decree has been passed before the commencement of this Act in a suit under the said clause instituted on or after the twenty-seventh day of August 1937, the Court shall, on application accompanied by the prescribed fee and made within six months from the commencement of this Act by a tenant against whom such decree has been passed, set aside the decree and restore and rehear the suit in the prescribed manner and in accordance with the provisions of the said section as amended by this Act.

(*2*) In this section "prescribed" means prescribed by rules made by the Provincial Government hereunder.

STATEMENT OF OBJECTS AND REASONS.

Section 52 of the Bengal Tenancy Act provides for an increase of rent where it can be proved that there has been an increase of area of a tenure or holding. Government have reason to believe that the provisions of this section have been abused in the following manner. Settlement was made on a cubit, say, of 22 inches in the past. When the record-of-rights was prepared and the standard cubit of 18 inches was applied in measuring the land, there was an apparent, but not real, increase in the number of *bighas* in a tenure or holding. With the help of misleading evidence it is often proved that in fact the standard of measurement which had been used at the time of the Settlement was an 18 inch cubit. In order to prevent this kind of fraud the present amendment of section 52(*1*) has been framed. It is not intended that a landlord should be debarred from obtaining additional rent for additional area which in fact exists owing to gradual encroachment on his *khas khamar* land or on neighbouring plots.

It will also not debar the case where additional area has been gained through alluvial action or the drying up of swampy ground contiguous to a tenure or holding. In either of these two latter cases a landlord may avail himself of the provisions of section 52 of the Bengal Tenancy Act, 1885 although he is not bound to do so as it has been held in the Calcutta High Court that he is entitled to sue in the Courts under the general law of the land irrespective of the Bengal Tenancy Act for additional rent in cases where it can be demonstrated that a particular area of land has been added to the original tenure or holding.

The Bill also provides that by application to the Courts tenants against whom suits were instituted under section 52 after the 27th of August 1937, [the date of publication of the Bengal Tenancy (Amendment) Bill, 1938] may, whether a decree has been passed or not, obtain a re-opening of the case in order that it may be decided under the provisions of section 52 as sought to be amended by the present Bill. This would naturally entitle both sides to amend their original pleadings if they desired, and to this end rule-making power is sought in order not to encumber the Act with small matters of procedural detail which will only be of temporary effect.

THE BENGAL OFFICIAL RECORDS BILL, 1939.

BILL

Power to exclude certain records from the operation of this Act.

8. The Provincial Government may, from time to time by notification in the *Official Gazette*, exclude any official record or class of official record from the operation of this Act.

STATEMENT OF OBJECTS AND REASONS.

A growing tendency has been noticed, both in the press and on the platform, to give unauthorised currency to the contents of unpublished State documents. This tendency has rendered imperative the necessity of taking legislative measures to suppress the dissemination in the press and on the platform of the contents of unpublished records of Government unless after due authorisation.

2. To sub-section (*4*) of section 25 of the Calcutta Municipal Act, 1923 (hereinafter referred to as the said Act), the following proviso shall be added, namely:—

Validation of notification extending the term of office of Councillors and Aldermen.

6. The notification No. 3114M., dated the 20th September 1938, which was issued under the proviso to section 39 of the said Act, shall be deemed to be as valid as if it had been issued under the proviso to the said section as substituted by section 2 of this Act and is hereby declared to have full force and effect. [*cf.* Ben. Act II of 1910, s. 3.]

Power of Provincial Government in respect of the next general election to be held before the expiry of the extended term of office of the Councillors and Aldermen.

7. If any difficulty arises as to the preparation or publication of the electoral rolls for the purpose of, or the holding of, the next general elections to be held under section 45 of the said Act before the expiration of the term of office extended under the proviso to section 39 of the said Act, the Provincial Government may by order authorise any matter or thing to be done which appears to them to be necessary for the proper preparation or publication of the rolls or for the proper holding of the elections.

STATEMENT OF OBJECTS AND REASONS.

It is proposed to undertake legislation to amend the Calcutta Municipal Act, 1923 (Ben. Act III of 1923), and to hold under the Act as amended the next general election of Councillors of the Calcutta Corporation. The next general election falls due in March 1939, but it will not be possible by that date to pass the amending Bill through both Houses of the Legislature and to bring it into force. By notification No. 3114M., dated the 20th September 1938, and issued under the proviso to section 39 of the Calcutta Municipal Act, 1923, Government have extended for a period of one year from the 31st March 1939 the term of office of certain existing Councillors and Aldermen. Government are now advised that, as the proviso to section 39 stands at present, the validity of the extension granted is questionable. The present Bill is accordingly intended to validate that extension by amending section 39 with retrospective effect, and by making the necessary consequential amendments in sections 25 and 45.

Under section 65(*1*) of the Bengal Excise Act, 1909 (Ben. Act V of 1909), the Collector or any officer specially empowered by the Provincial Government in this behalf, not below the rank of Deputy Collector (or Superintendent of Excise), has been vested with the power to compound offences.

Many districts formerly in charge of Superintendents are at present in charge of Inspectors of Excise and Salt. In view of the provisions of section 65 of this Act, these Inspectors of Excise and Salt cannot be empowered to exercise the powers under that section. The object of the Bill is to amend section 65 with a view to enable the Provincial Government to authorise Inspectors in charge of districts to compound offences.

A. AHMAD, for *Director of Agriculture, Bengal.*

Dacca, the 27th January 1939.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 12th January 1939.

First Forecast of the Wheat Crop of Bengal, 1938-39.

[*Note.*—On an average of the five years ending 1936-37, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1936-37, averaged (*a*) 42·0 and (*b*) 9·2 per cent. respectively.]

Explanatory.—Four Forecasts of the Wheat crop are published. The present Forecast deals only with the estimated area sown and the general condition of the crop in the early stages.

Acreage.—According to the estimates of the District Officers, the total area sown is 173,400 acres this year as against 160,800 and 160,900 acres, respectively, in the corresponding and Final Forecasts of last year.

Character of the season.—At the outset weather conditions were favourable for field operations and sowing generally commenced in normal time. Subsequently dry weather in December was helpful to further sowings and growth of the crop. The present outlook is reported to be promising.

Personal Assistant,
for *Director of Agriculture, Bengal.*

(1) The rate of Rs. 1-4-0 shall be levied per acre of which the raiyats including persons holding non-agricultural tenancies shall pay 10 annas and their landlords of all grades together 10 annas per acre.

Provided that sand in river beds and unculturable waste lands in khas possession of landlords lying in blocks of 50 acres or more in contiguous plots will be assessed at 8 annas per acre.

Common lands such as rivers, roads, khals, burning ghats, etc., will be excluded from assessment but not tanks even if used for irrigation.

(2) Landlords shall pay the raiyats' share for lands in their khas possession and raiyats shall pay full raiyati rate for lands covered by their holdings.

(3) Rent-free holders, whether of the degree of raiyats or tenure-holders, shall pay the whole of the landlords' share for their lands.

(4) As between the different grades of landlords, the landlords' share shall be apportioned thus:—

(*a*) Permanent tenure-holders whose rent is fixed in perpetuity shall pay their own share of the cost and that of the landlords superior to them;

(*b*) other permanent tenure-holders and temporary tenure-holders whose lease has over fifteen years to run shall pay $\frac{3}{4}$th of the landlords' share and their landlords shall pay the remaining $\frac{1}{4}$th;

(*c*) temporary tenure-holders whose lease has fifteen years to run shall pay 15/16ths of the share which they would pay in accordance with (*b*) above, if they were permanent tenure-holders; and so on proportionately according to the number of years of the lease to run; and

Explanation.—The calculation shall be made from the lowest grade of landlords immediately above the raiyats, the period for which the lease of the tenure or under-tenure is to run is to be reckoned in each case from the close of the agricultural year in which the record is finally published.

(5) Under-raiyats protected by section 48(*c*)(*e*)(*i*)(*1*) and (*2*) shall pay at the rate of 10 annas per acre, while other under-raiyats and Dakhalkar non-agricultural tenants having a status analogous to that of under-raiyats will pay at 6 annas for a tenancy or part of a tenancy recorded in one village.

In jalkars having more than fifteen years to run and in permanent jalkar the rate shall be $\frac{1}{2}$ anna per rupee. The minimum charge for a jalkar khatian shall be 4 annas. (*b*) areas less than 1 acre shall be charged for as 1 acre;

POLITICAL DEPARTMENT MEMORIAL RULES, 1939.

New Delhi, the 9th January 1939.

No. 6-G.—In supersession of the notification of the Government of India in the Foreign and Political Department No. 569-G., dated the 22nd October 1928, the following Political Department Memorial Rules published for general information:—

(*i*) These instructions shall only apply to memorials relating to matters arising in Indian States and Administered Areas in Indian States. Memorials include petitions, letters and applications of the nature of memorials. Memorials to the Crown Representative relating to other matters shall be submitted in accordance with the instructions contained in Political Department notification No. 7-G., dated the 9th January 1939.

(*ii*) The term "Resident" as used in these rules refers, for the purpose of these rules, to Residents of the First and Second Class, the Political Officer in Sikkim and the Governors of the North-West Frontier Province and Assam in their capacity as Agents of the Crown Representative.

PART I.

Memorials, etc., addressed to the Crown Representative.

1. Every memorial must be submitted to the Political Officer of the State or Administered Area within whose jurisdiction the subject matter has arisen, accompanied by a copy of the order appealed against and by a letter requesting its transmission to the authority to which it is addressed.

2. Memorials may be transmitted either in manuscript or in print, but must, with all accompanying documents, be properly authenticated by the signature of the memorialist, or, when the memorialists are numerous, by the signature of one or more of them.

3. Subject to the exceptions hereinafter contained, every memorial received which conforms to the above rules, should be forwarded by the Political Officer, through the usual official channel, with a concise statement of material facts, and, unless there be special reasons to the contrary, an expression of opinion.

4. Memorials, together with their accompanying documents, should be in English. If the accompanying documents must necessarily be forwarded in the vernacular, an English translation should be appended, which should be attested by the signature of the memorialist.

N.B.—The transmitting officer should examine such translations and, if they are found to be incorrect or faulty, notice the fact in sending on the memorial.

5. Every memorial should be accompanied by copies of all the orders passed in the case by the authorities who have dealt with it in India.

6. Residents are vested with discretionary power to withhold memorials addressed to the Crown Representative in the following cases:

(1) When the memorial is illegible or unintelligible.

(2) When the memorial contains language which, in the opinion of the authority who would otherwise forward it, is disloyal, disrespectful, or improper.

(3) When a previous petition of the memorialist (which term includes a rejoinder submitted by the memorialist in answer to a previous petition of some other party) has been disposed of by the Secretary of State for India or the Crown Representative, and the petition discloses no new facts or circumstances which afford grounds for a reconsideration of the case.

(4) When the memorial relates to a matter which is within the competence of the Resident to dispose of, and no application has previously been made to such Resident for redress.

(5) When the memorial is an appeal preferred more than six months after the date on which the memorialist was informed of the orders against which he appeals, provided that the Resident may, in the exercise of his discretion, extend the period to twelve months only, if the delay will facilitate a settlement of the dispute or other good cause is shown.

(6) When the memorial refers to matters in which the memorialist is not personally interested.

*(7) When the memorial refers to a case which turns entirely on questions of fact and the Political Officer and the Resident are in agreement.

(8) When the memorial is an appeal against the withholding of a memorial by the Resident.

(9) When the memorial is a representation against a decision which is declared to be final by any law or rule framed by a competent authority.

(10) When the memorial is a representation against a failure to exercise a discretion vested in the Crown Representative or the Resident.

*The discretion allowed by Clause (7) of Rule 6 shall be exercised only by the Residents for Baluchistan, Central India, Rajputana, the States of Western India and Kashmir.

7. Provided they do not contravene the conditions specified in the preceding section, memorials which are appeals against orders passed by Residents in the exercise of their political control, shall be forwarded, except in the following cases in which a discretionary power to withhold the memorials may be exercised:—

(1) When the order appealed against has been passed by the Resident as a recognised Court of Appeal in regard to a judgment or order of any court of Civil or Criminal jurisdiction established or continued by the Crown Representative.

(2) When the order appealed against is a mere refusal to exercise political control in regard to a judgment or order of any special court established or continued by the Crown Representative, from which court there is, by its constitution, no appeal, though a general political control over it is declared or understood to exist.

(3) When the order appealed against is a mere refusal to interfere in a matter of purely internal policy with the action or orders of the Ruler of an Indian State, of which the memorialist is a subject: provided that the matter complained of does not appear to be of sufficient importance to deserve the attention of higher authority.

N.B.—This rule also applies to a temporary administration established or continued in an Indian State by the Crown Representative when the temporary administration is appointed to exercise the same powers and occupy the same position as the State Administration which it supersedes.

(4) When the order appealed against has been passed by the Resident for Baroda sitting as a second Court of Appeal in Giras cases arising within the Baroda State.

(5) (*a*) When the memorial is an appeal against an order passed by the Resident for the States of Western India under the Giras Court Rules published in Western India States Agency Notification No. 21, dated the 17th April 1926, or is an appeal against an order passed by the Resident in second appeal in Giras cases arising in the Sabar Kantha Agency. In the latter case an appeal to the Crown Representative will be admissible only with the permission of the Resident.

(*b*) When the memorial is an appeal against an order passed by the Resident for the States of Western India under the Political Courts Rules published in the Western India States Agency Notification No. 30, dated the 26th April 1926, as amended by Notification No. 54, dated the 29th July 1932, against which no further appeal lies to the Crown Representative unless the Resident certifies that the case is a fit one for further appeal, and he does not so certify.

Note.—Memorials analogous to applications for suspension or remission of sentences under Chapter XXIX of the Criminal Procedure Code should not be withheld unless they fall under clause 6. Memorials from persons under capital sentence will, except those in respect of areas under the Residents at Hyderabad and in Mysore, be dealt with in accordance with the procedure prescribed in Political Department letter No. F.-48-1.B./38, dated the 3rd February 1938. The procedure for the areas under the Residents at Hyderabad and in Mysore has been prescribed in Political Department letter No. F. 91-I.B./37, dated the 31st August 1937.

PART II.

Memorials, etc., addressed to His Majesty the King Emperor of India or to the Secretary of State for India.

1. Every memorial must be submitted to the Political Officer of the State or Administered Area within whose jurisdiction the subject-matter has arisen, accompanied by a copy of the order appealed against and by a letter requesting its transmission to the authority to which it is addressed.

2. Memorials may be transmitted either in manuscript or in print, but must, with all accompanying documents, be properly authenticated by the signature of the memorialist, or when the memorialists are numerous, by the signature of one or more of them.

Subject to the exceptions hereinafter contained, every memorial received which conforms to the above rules should be forwarded by the Political Officer through the usual official channel with a concise statement of material facts, and, unless there be special reasons to the contrary, an expression of opinion.

4. Memorials, together with their accompanying documents, should be in English. If the accompanying documents must necessarily be forwarded in the vernacular, an English translation should be appended, which should be attested by the signature of the memorialist.

N.B.—The transmitting officer should examine such translations, and if they are found to be incorrect or faulty, notice the fact in sending on the memorial.

5. Every memorial should be accompanied by copies of all the orders passed in the case by the authorities who have dealt with it in India.

6. Residents are vested with discretionary powers to withhold memorials addressed to His Majesty or to the Secretary of State in the following cases:—

(1) When the memorial is illegible or unintelligible.

(2) When the memorial contains language which, in the opinion of the authority who would otherwise forward it, is disloyal, disrespectful, or improper.

(3) When a previous petition of the memorialist (which term includes a rejoinder submitted by the memorialist in answer to a previous petition of some other party) has been disposed of by the Secretary of State and the petition discloses no new facts or circumstances which afford grounds for a reconsideration of the case.

(4) When the memorialist has not previously appealed to the Crown Representative and received his decision.

(5) When the memorial is an appeal preferred more than six months after the date on which the memorialist was informed of the orders against which he appeals, provided that the Resident may, in the exercise of his discretion, extend the period to twelve months only, if the delay will facilitate a settlement of the dispute or other good cause is shown.

(6) When the memorial refers to matters in which the memorialist is not personally interested.

*(7) When the memorial is in effect an appeal in a boundary case between Indian States in which the decision, original or appellate, of the Political Officer has been passed after enquiry on the spot and confirmed on appeal by the Resident.

*(8) Cases which turn entirely on questions of fact, where the Political Officer and the Resident are in agreement.

(9) When the memorial is an appeal against the withholding of a memorial by the Resident.

(10) When the memorial is a representation against a decision which is declared to be final by any law or rule framed by a competent authority.

7. Provided they do not contravene the conditions specified in the preceding section, memorials which are appeals against orders by the Crown Representative, shall be forwarded, except in the following cases

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 791.—4th February 1939.—The Governor having been pleased to order, under rule 19 of the Bengal Legislative Council Rules, 1920 as modified and adapted for the Bengal Legislative Council and for the Bengal Legislative Assembly respectively, under section 84(3) of the Government of India Act, 1935, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE CALCUTTA POLICE (AMENDMENT) BILL, 1939.

A

BILL

to amend section 33 of the Calcutta Police Act, 1866.

WHEREAS, in consequence of the enactment of the Indian Navy (Discipline) Act. 1934, it is expedient to amend section 33 of the Calcutta Police Act, 1866 in the manner hereinafter appearing; XXXIV of 1934. Ben. Act IV of 1866.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Calcutta Police (Amendment) Act, 1939.

Amendment of section 33 of Bengal Act IV of 1866.

2. In section 33 of the Calcutta Police Act, 1866, after the words "the Naval Discipline Act" the words, figure and brackets "or that Act as modified by the Indian Navy (Discipline) Act, 1934 or" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

By Act XXXIV of 1934 of the Central Legislature, Parliament's Naval Discipline Act was adapted to the circumstances of India. It applied that Act to members of the Indian Naval Volunteer Reserve while in service. Section 33 of the Calcutta Police Act, 1866 proposed to be amended by this Bill provides a punishment for persons "not amenable to the Naval Discipline Act" for taking drugs or liquor into military barracks or on board a vessel of war. At the request of the Government of India this short Bill is being introduced to take outside the scope of section 33 persons amenable to the adapted Naval Discipline Act, that is to say members of the Indian Naval Volunteer Reserve while in service: such persons will then be liable for such an offence to be proceeded against under the adapted Naval Discipline Act and not under the Calcutta Police Act.

The Central Legislature followed up their Act XXXIV of 1934 by an amending Act (XXXV of 1934) in which they made, *inter alia*, the amendment now proposed wherever references to the Naval Discipline Act occurred in Acts of the Central Legislature. The section now touched by this Bill is believed to be the only reference to the Naval Discipline Act in the Bengal Code.

Burdwan. — No. 650P. — 10th February 1939.—In exercise of the power conferred by sub-section (*4*) of section 1 of the Criminal Law Amendment Act, 1932 (XXIII of 1932), the Governor is pleased to direct that section 7 of the said Act shall come into force in the whole of the district of Burdwan except the subdivision of Asansol on the date of publication of this notification in the *Calcutta Gazette*.

By order of the Governor,

H. J. TWYNAM,

Secy to the Govt. of Bengal.

The Damodar Canal which was designed ultimately to irrigate about 200,000 acres of land in the districts of Burdwan and Hooghly was constructed between the years 1926 and 1936 and irrigation of a part of the area to be commanded began in 1933. Holders of land who desired to have water from the canal could take leases under the Irrigation Act at the rate of Rs. 4-8 and Rs. 3-8 per acre for annual and long-term agreements respectively. In 1935 the Bengal Legislative Council passed the Development Act, the object of which was, in the words of the preamble, "to provide for the development of lands in Bengal and for that purpose to impose a levy in respect of increased profits resulting from improvement works constructed by Government". Section 10 of the Act provides that the levy, which is payable by all occupiers of lands benefited, shall not exceed one-half of the estimated benefit derived and that in respect of the Damodar Canal, the maximum charge shall be Rs. 5-8 per acre. The area commanded by the canal was actually brought under the operation of the Development Act in the year 1936-37 and the charge of Rs. 5-8 per acre was imposed on all occupiers except those whose leases under the Irrigation Act had not expired. Many representations were made to the effect that the rate of Rs. 5-8 per acre was excessive, and at the end of 1937 Government appointed a Committee to enquire into the equity of the charge. This Committee reported that having regard to the principles of the Act they were of opinion that the charge of Rs. 5-8 was not excessive. They recommended, however, that in view of the

bad conditions prevailing in the area the rate should be fixed at Rs. 2-9 per acre. On the basis of this recommendation Government decided that the levy should be at that rate for 1936-37 and 1937-38. It is to be noted that if this rate were realised in full from the maximum area hitherto irrigated, namely, about 135,000 acres, the revenue would be less than 3 per cent. of the capital cost of the canal, which is about Rs. 1,22,00,000. It must also be kept in mind that even in normal years it is likely that remissions would have to be allowed under the Act. Not only, however, did Government decide to reduce the rate chargeable under the Development Act, but they also decided that with effect from the year 1938-39 that Act should not govern the rates for the supply of water from the canal. Charges are now made only from persons who take leases under the Irrigation Act, the rates being Rs. 4 per acre for annual leases and Rs. 3-8 for long-term leases. In spite of these concessions agitators continued their endeavours to induce people to default in the payment of their dues. They have also tried to prevent those who wanted water from applying for leases under the Irrigation Act. At the beginning of the current financial year the arrears of water charges in the Damodar area payable at the reduced rate of Rs. 2-9 per acre under the Development Act, or at the rates agreed to under the voluntary leases under the Irrigation Act were about Rs. 6,42,000. Out of that amount and a further sum of about Rs. 71,500 added during the year, the collections up to the 28th January were less than Rs. 32,000. The activities of agitators have recently increased in consequence of the attempt on the part of Government officers to recover by means of the certificate procedure dues which were about to become time-barred. Officers have been obstructed in the performance of their duty and subjected to various forms of boycott, and attempts have been made to prevent the sale of property attached in execution of certificates. Government are of opinion that if this agitation is not checked at once, an outbreak of disorder over a wide area is inevitable and have therefore decided to bring section 7 of the Criminal Law Amendment Act of 1932 into force in the whole of the Burdwan district with the exception of the Asansol subdivision.

1. Any person desirous of acting as a pilgrim broker or a *muallem* shall apply to the Commissioner of Police for a license under the Protection of Muhammadan Pilgrims Act, 1896. The application shall be in Form A annexed to these rules, printed copies of which can be obtained from that officer, and shall be accompanied by certificates of respectability and fitness for the duties of a pilgrim broker or a *muallem* from at least two respectable Muhammadan gentlemen.

(*i*) The licensee shall grant receipts to pilgrims in Form D annexed to these rules for any articles made over to him for safe custody. He shall also be responsible for the safe custody of property belonging to any pilgrim who dies at his rest-house or while in his charge until such property is disposed of by the order of the Executive Officer, or the District Officer, as the case may be.

(*j*) The licensee shall furnish at all times such returns or other information in connection with his business as the Executive Officer or the District Officer may call for.

No. 467Com.—10th February 1939.—Whereas in accordance with the provisions of section 6 of the Indian Trade Disputes Act, 1929, a Board of Conciliation has been appointed under notification No. 4442Com., dated the 12th May 1938, to investigate the trade dispute between Messrs. Burn & Co., Ltd., Proprietors of the Raniganj Pottery Works, and the workmen of the said works, and to promote a settlement thereof;

And, whereas in accordance with the provisions of section 7(*3*) of the said Act, the Board of Conciliation has submitted its report to the Governor;

Now, therefore, in pursuance of the provisions of section 12(*1*) of the said Act, the Governor is pleased to direct the publication of the said report in the *Calcutta Gazette*.

By order of the Governor,

A. HUGHES,
Joint Secy. to the Govt. of Bengal.

Report of the Board of Conciliation appointed by the Government of Bengal under section 6 of the Trade Disputes Act, 1929 (VII of 1929), to investigate the trade dispute between Messrs. Burn & Co., Proprietors of the Raniganj Pottery Works, and the workers of the said works, and to promote a settlement thereof.

The Board was constituted under the Government of Bengal notification No. 4442Com., dated the 12th May 1938. I was appointed the sole member of the Board. A copy of the notification is appended to the report (Appendix A).

The Raniganj Pottery Works are located at Raniganj (Burdwan) very close to the Raniganj Railway Station. They consist of two workshops—one located on the south of the railway line and the other on the north. The workshop on the south is called the "Lal Kothi"—Silica Works—and the other on the north is divided into two parts—Works No. 1 (Engineering and Pipe Works) and Works No. 2 (Pottery).

The total number of workers in the two workshops is 1,370 including some 280 women. Of these, about 70 per cent. are local Bengalis and the rest are Biharis. The firemen numbering 30 are all Chittagonians. All the non-residents live in the cooly lines, locally

known as dhowrahs, free of rent, and the local people in their respective homes.

There is a union recently formed under the auspices of the Company, called the Raniganj Pottery Workers' Welfare Union. The union is registered under the Trade Unions Act, and bears registered No. 212 of 1938.

There had been for some months previous to the strike a dispute between the management and the workers in respect of certain matters connected with the conditions of service. The management took up the various questions involved with the union, and by the middle of February 1938 a settlement was reached in respect of the following subjects:—

(*1*) Increased rates of pay.

(*2*) Sickness and maternity benefits.

(*3*) Housing and school.

(*4*) Old age benefits.

(*5*) Leave with pay and without pay.

While negotiations in respect of other matters were in progress, four moulders of the Lal Kothi were dismissed by the Manager on the complaint of the women workers for indecent overtures to one of them. This happened on the 25th April 1938. On the very next day—26th April—without notice, all the workers in that workshop including the women, numbering about 417, went on strike. The men in the other works followed suit, and by the 3rd May the number of strikers reached 1,238. On the following day a complete deadlock was brought about by the remaining workers leaving the works, bringing the total number of strikers up to 1,350. The carters numbering about 30 did not join the strike.

On the 6th May, *i.e.*, two days later, both the management and the union applied to Government, under section 3 of the Trade Disputes Act, for the appointment of a Board of Conciliation for the settlement of the disputes. This Board of Conciliation was consequently set up.

After notice to the parties in dispute, I held a sitting at the Raniganj dak bungalow on the morning of the 16th May. At the enquiry the Company were represented by Mr. Rigg, acting Manager and Mr. Phani Bhusan Sarkar, Advocate, and the workers by Mr. Balappa, acting President of the union.

The Company submitted their statement of the case, but none came from the side of the workers. A copy of the Company's statement is appended (Appendix B). In order to ascertain at first hand what really were the grievances that were agitating the minds of the workers, I decided first to hear the individual workers privately, and to take up formal proceedings later, if necessary. After this decision had been communicated to the parties present, the Court room was cleared, and the individual workers were taken up one after the other. Certain of the strike leaders were first examined, and then a number of others picked up at random from the mass of strikers congregated inside the bungalow compound watching the proceedings. The

demands made by some of these witnesses may be classified under the following heads:—

(*1*) Stoppage of deductions for bad work.
(*2*) Payment of bonus.
(*3*) Shoes and spectacles for the khalasis.
(*4*) Cooks for the Muhammadans.
(*5*) Supply of sufficient water.
(*6*) Improvement of the dhowrahs.
(*7*) Lights in the godowns.
(*8*) Prohibition of bribery by the tindels and others.
(*9*) Provident Fund.
(*10*) Hotel for foreigners.
(*11*) School for the children of the workers.
(*12*) Oppression by petty officers.
(*13*) Grant of reply to leave applications.
(*14*) Re-appointment on return from leave.

Of the rest of the witnesses, some failed to think of any demand, while others merely repeated the general grumbles which had been indulged in by the men. I also met a number of women workers and their only demand was for the removal of the pressure that prevented them from joining the works. Neither of the parties produced the woman who was insulted by the four moulders. As her whereabouts were unknown she could not be summoned for examination as a Board's witness.

While, however, there was an absence of unanimity in regard to the demands stated above, which was natural in view of the demands on such vital questions as wages, etc., which had already been conceded by the management, the strikers were emphatic in their demand for—

(*1*) Reinstatement of the four dismissed men; and
(*2*) Pay for the strike period.

It was accordingly decided to adopt these two points as the issues for immediate settlement, and to leave the others for settlement later on. This decision was readily accepted by the strikers and their leaders. As the strikers were not properly represented, I asked them to form a *panchayat* of about 10 men drawn from all the departments and sections of the strikers, who could represent their cause and take the responsibility for decisions. This proposal was also accepted by the strikers, and a *panchayat* was formed. It was mainly composed of up-country people -the *de facto* leaders of the strikers. This closed the first day's proceedings of the Board.

On the next morning (17th May 1938) at about 7 a.m., I went round the dhowrahs, and found the complaints of the workers about the inadequate supply of water and latrine arrangements to be substantially justified. On return to the dak bungalow at about 8-30 a.m., I heard Mr. Iyer, Babu Niranjan Ghosh and Babu Ramanath Bhut of the Company. The examination of these witnesses were directed to the workers' complaints about oppression and bribery. Next, I discussed the two issues with Mr. Sarkar, the Advocate of the Company, and Mr. Balappa. Next I examined Mr. Pattanaik of

the Jamshedpur Labour Federation, which body had assumed control of the strike. In submitting his views on the two issues mentioned above, Mr. Pattanaik mentioned a number of other demands.

After due consideration of all the facts submitted on behalf of the Company, and by the strikers' I came to the conclusion that—

(*a*) the dismissal of the four moulders was not fully justified, as the charge against them had not been conclusively proved, and

(*b*) the strikers had acted improperly in going on strike without notice, and hence the payment of strike pay was not justified.

Thereafter, I called the *panchayat* and addressed them, along with the other strikers gathered in the compound (numbering about 1,000) under a tree, in Bengali, to the following effect:—

(1) The charge against the four moulders of making immoral proposals to the woman worker had not been proved, neither had it been completely disproved. Therefore they would get back their jobs, but without any pay for the period they were absent from duty.

(2) The demand for the strike pay was unjustified because they had gone on strike without proper notice and without allowing time to the management for negotiation or conciliation before going on strike.

(3) Regarding certain other complaints it was promised that they would be mentioned in the report.

So far as could be gathered, the strikers present on the spot were favourably impressed with the views put forward. The *panchayat* also seemed inclined to accept them, but in view of the decision on the second point they were not willing to take on themselves the responsibility of taking a decision off-hand without consulting all the strikers, many of whom were away in their villages. They accordingly asked for four days' time to communicate their decision. I expressed my inability to remain so long at Raniganj awaiting their decision, and asked the *panchayat* to communicate their decision by post within the time allowed.

Owing to a division in their camp, the strikers failed to arrive at an agreed decision within four days. The strike continued for a month or so more, during which time the strikers gradually drifted back to work unconditionally. The strike terminated about the end of July.

On the morning of the 18th May I met the Manager, Mr. Rigg, and discussed with him the complaints of the workers and communicated to him my views about the defective latrines and water arrangements in the dhowrahs. He promised to consider these points, and pointed out that a scheme for improving the dhowrahs had already been sanctioned by the Company, and funds allotted.

In my view, no further action is called for, and I recommend that this report be published, as required by the Act.

Notification by—The Government of Bengal, Department of Commerce and Labour (Commerce).

No. 4442Com.—12th May 1938.—Whereas a trade dispute has arisen between Messrs. Burn and Company, Limited, of 12, Mission Row, Calcutta, Proprietors of the Raniganj Pottery Works, and the workmen of the said pottery works, and whereas it is expedient that the said dispute should be referred under section 3 (*b*) of the Indian Trade Disputes Act, 1929, as amended, to a Board of Conciliation, the Governor is pleased under section 6 of the said Act to appoint Mr. A. Hughes, I.C.S., Labour Commissioner, Bengal, to be the Board of Conciliation for investigating the said dispute and promoting a settlement thereof.

The said Board shall meet at the Honorary Magistrate's kutchery at Raniganj on the date to be fixed by it during the week commencing from the 16th May 1938.

Appendix B.

From—W. H. Bates, Esq., General Superintendent, Potteries, C/o Messrs. Burn & Co., Ltd., 12, Mission Row, Calcutta,

To—A. Hughes, Esq., I.C.S., Government of Bengal, Labour Commissioner and President of Board of Conciliation, Raniganj.

On behalf of Messrs. Burn & Co., Ltd., the attached statement of facts concerning the relations of the Company to its labour, and the causes and effects of the strike of workers at the Raniganj Pottery Works is submitted.

The Company is represented at Raniganj by the acting Manager, Mr. J. Rigg, and its legal representative Mr. P. N. Sarkar, Advocate of Raniganj, both of whom are at your disposal.

The undersigned will come to Raniganj at your request to discuss any proposals arising out of your enquiry, since no other officer at Raniganj has the necessary powers to alter the Company's Rules.

Statement of facts submitted by Burn & Co., Ltd., to the President of Labour Conciliation Board at Raniganj, May 1938.

The Company have for many years past enjoyed the confidence of their workers.

The Company have anticipated legislation for the workers and long ago introduced many of the reforms now in force.

Instances of Benefits.

1. Shorter hours of work than permissible.
2. Rate of pay above local rates.
3. Weekly payments.
4. No dismissals without a week's notice.
5. No fines.
6. Enquiry by management before dismissal.
7. Old workers are kept on Wage Books when too old to work.

Wages.

Since early 1937 the labour has had three wage general increases. The last wage increase fixed high minimum wages and all rates were fixed in agreement with the labour by the General Superintendent. This was in 19th February 1938.

Benefits.

The Company has freely conceded those benefits which have been given at the Indian Iron and Steel Company's Works and has stated its willingness to discuss all matters of welfare with its workers. Benefits lately given include:—

1. Maternity benefits.
2. Leave with pay and without pay.
3. Sick leave with pay.
4. Welfare Officer in continual service.
5. Fixed minimum wages for each class of workers.
6. The Company has also schemes for labour welfare and old age under consideration.
7. They also have a programme for settled labour housing.

Trades Union.

The Company decided to join the workers in forming a joint Trades Union in the interest of the workers and promised to increase subscriptions for use in the workers' benefits schemes. The Union is registered No. 212 of 1938.

Reason of Present Strike.

The strike has been the work of some of the higher paid workmen particularly the mistry class and encouraged by the Labour Federation of Burnpur.

These men whose names and activities are well known to us kept quiet when our labour formed Union with the Company and some joined the Union; but ever since they have carried on propaganda in the works belittling the grants of the Company and arousing the cupidity of the pottery workers by unfulfillable promises.

These people and such talk and threats have eventually succeeded in getting the labour to strike without reason and without notice.

The pretext of the strike that the Company dismissed four workers without reason is false and can be proved to have been a faked affair.

These promotors of the strike number some 65 persons whose names are attached. They are non-productive workers and are not pottery workers at all. They number 3 per cent. of productive workers. They represent their own interests and think that if they succeed in forcing Burn's labour to join the Labour Federation of Burnpur that they will be office bearers and benefit thereby.

Labour Claims.

The Lal Koti Silica Work people finding that they could not provoke the management resorted to a trick. The women workers insisted on dismissal of four men. The Company having no alternative dismissed them by giving seven days' pay in lieu of notice. Next day all of the people left work without notice *including* the women who made the complaint.

A meeting of the Union was called and on enquiry it was agreed that the men were at fault and the strikers for leaving work without notice; nevertheless the Company agreed to reinstate the four men if the workmen agreed also. It was settled that they would be suspended for fifteen days and the Lal Koti people said they would resume work.

Meantime the strike promotors persuaded them not to return and picketted the roads leading to the works.

On the 1st of May 1938 they sent an intimation to the Manager saying that unless their demands were met the other works Nos. 1 and 2 would go on strike on 3rd May 1938.

The Manager called a Union meeting and got these men to attend. They demanded among other things—

1. Reinstatement of the four men.

2. Payment of wages for time lost during strike.

They were informed that the first had already been met and that the second would not be granted.

It is a significant fact that while the meeting was being held all the labour came out without notice. It can be proved that there was no intention of settlement and that the workers had agreed to leave the works on a pre-determined signal.

Labour Federation Activities.

Since the labour troubles at Asansol and Kulti it can be shown that this Federation have tried to get the pottery workers to join them. Their activities are known to us and evidence can be adduced to show that although they knew that the Company had given those things which had been given as the result of strike at the Steel Works still they persisted in their efforts to get the Company's labour to their Union and have been assisted throughout by the men in the attached list.

Result of Strike.

As a result of this strike the Company has lost many orders for the new Steel Works and for the Tata Iron & Steel Co., Ltd., and which have been sent to Europe. The workers must ultimately lose by this. Owing to the labour not giving notice it is impossible to re-engage the labour until the kilns are loaded again and goods despatched.

The Company will lose greatly by this strike and in consequence will be unable to expend money freely in the future.

The effects of a shut down of this nature is not only an injustice to the shareholders of the Company but it affects all those people who rely upon the Company completing its contracts to time.

Company's attitude to Strikers.

The Company gives seven days' notice to all workers before termination of service. It is entitled to the same from its workers. Under its Union Rules it requires fifteen days.

The Company reserves the right to take civil action for recovery of loss of profits or damages against any person or persons who by reason of leaving work without proper notice or causing others to leave have caused such damage.

It does not recognise any outside party as representing the work people of the potteries. The only demand from the workers outstanding, is pay for the period of the strike. This the Company definitely refuses to pay.

The works has been open daily and the people could at any time return. The Company will employ at once all the despatching and kiln loading and unloading staff and later the other departments as they can be employed. A condition of re-employment is that each employee signs the Engagement Card stating the conditions of employment.

It is the Company's desire to aid in making permanent amicable relations with their labour.

Resolution on the annual progress report on the forest administration in the Presidency of Bengal for the year ending the 31st March 1938.

GOVERNMENT OF BENGAL.

Forest and Excise Department.

Forests.

CALCUTTA, THE 6TH FEBRUARY 1939.

RESOLUTION—No. 1435For.

Read—

The annual progress report on the forest administration in the Presidency of Bengal for the year ending the 31st March 1938.

Read also—

The reports of the previous three years and the Government resolutions thereon.

1. Mr. W. Meiklejohn was in charge of the Northern Circle throughout the year. Mr. E. A. Modder held charge of the Southern Circle till 15th January 1938 when he proceeded on leave preparatory to retirement and Mr. C. E. Simmons remained in charge of the circle from the 16th January 1938 till the end of the year.

2. *Area.*—There was a total decrease of 129 square miles in the area of reserved forests. The decrease was mainly due to the exclusion of certain forest areas in the Buxa Reserve as well as in the Rechila block in the Kalimpong Division and also as a result of re-survey by the Survey of India. The area of (*i*) protected forests, (*ii*) unclassed state forests and (*iii*) leased lands remained unaltered. The total area of all forests in the Presidency (including leased lands) at the close of the year was 12,163 square miles against 12,292 square miles in 1936-37.

3. *Communications and buildings.*—Owing to want of funds no new roads were constructed during the year except two paths in the Chittagong Hill Tracts Division which were constructed at a total cost of Rs. 3,200. The total expenditure incurred on the construction of new buildings was Rs. 18,251 against Rs. 26,475 in the previous year. The total cost of repairs to roads and paths was Rs. 36,056 against Rs. 37,562 in the previous year and that of repairs to buildings in the two circles was Rs. 42,964 against Rs. 48,553 in 1936-37.

4. *Working plans.*—The revised working plans for the Darjeeling and Kurseong Divisions are under compilation and the modification of the Sundarbans working plan necessitated by altered conditions has also been taken up. The preparation of a new working plan for the Chittagong Division is still in progress and the working plan for the Dacca-Mymensingh Division is now under print. The prescriptions of the existing working plans were followed as far as circumstances permitted and deviations sanctioned where necessary. The working plans for Buxa and Jalpaiguri Divisions are due for revision during 1938-39 and 1940-41 respectively.

5. *Damages from natural causes.*—The struggle with climbers, weeds and insect-pests continued as usual and measures were taken to deal with them as far as possible. As usual, also, there was damage to plantation by elephants and other wild animals. In order to reduce the depredations of wild elephants in the Chittagong Hill Tracts Division, the Kassalong Valley was leased out for Kheda operations. Numerous landslips occurred during the year, and erosions continued. Owing to the shifting of the course of the Mechi river to the east, due to slips in Nepal about 210 acres in Upper Mechi and 6 acres in Central Mechi have been washed away and 22 acres in Upper Mechi and 4 acres in Central Mechi are in a threatened condition. The Torsa river washed away a portion of the North and South Torsa Forests of the Jalpaiguri Division. A severe cyclone also passed over the Jalpaiguri Forests causing considerable damage to sal trees.

6. *Utilisation.*—There was increase in the value of the total outturn of produce extracted departmentally as compared with the figures of the previous year. Endeavour was made by the Forest Utilisation Officer, Bengal, to find markets for purchasers' timber and for timber extracted departmentally. The total value of the sales of forest produce during the year amounted to Rs. 19,43,562 against Rs. 15,45,506 in the previous year.

7. *Revenue and expenditure.*—The revenue, expenditure and surplus are compared below with those of the previous year:—

	Revenue.	Expenditure.	Surplus.
	Rs.	Rs.	Rs.
1936-37	18,35,757	14,97,967	3,37,790
1937-38	21,54,330	15,63,769	5,90,561

The increase is mainly due to the general improvement in trade resulting in better prices obtained for timber and fuel coupes.

8. *General.*—The general condition of the elephants was on the whole good. The total number of elephants on the stock list in the two circles at the close of the year was 26.

During the year 37 persons were killed by tigers and one man was killed by a bison. Six men and one woman were killed by wild elephants. Rupees 3,025 was paid as rewards for killing tigers during the year.

The activities of the Shooting and Fishing Associations continued to be satisfactory. The collection of tolls for fishing in the reserved forests of the Sundarbans Division continued and Rs. 16,654 was realised as fishing tolls during the year against Rs. 13,613 in the previous year.

The thanks of the Governor are due to Messrs. Meiklejohn, Modder and Simmons for their successful administration of the forest circles. His Excellency also notices with pleasure the record of good work done by other officers of the department mentioned in the report.

Order.—Ordered that the above resolution be published in the *Calcutta Gazette.*

Ordered also that a copy of the above resolution be forwarded to the Senior Conservator of Forests, Bengal.

2. Any objection or suggestion with respect to the said rules and rates of tolls should reach the undersigned before the 7th April 1939.

Rules and Rates of Tolls.

1. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the District Board of Bakarganj on this behalf.

2. Vessels for the purpose of the determination of maundage shall be divided into two classes as below :—

Class I—To include all vessels of the types of country boats, including saltees and hapors (fish cages), house boats, Kosh boats, green boats and other similar types of boats.

Class II—To include steam boats, motor boats, flats and barges and other square built vessels.

3. The maundage of every vessel, whether laden or empty shall, for the purpose of the Canals Act, 1864, and of these rules, be determined by the following measurements :—

Class I.

A. The product of one quarter of the length of the vessel from stem to stern, measured along the water-line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder of less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of class II the number of maunds obtained by the system of measurement prescribed for vessels of class I shall be increased by one-half. For vessels of this class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats the maundage determined as above shall be reduced by one-third as an allowance of engine space.

For vessels of class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be) be taken as the maundage on which tolls will be charged.

4. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which shall be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

5. Every ticket shall have entered on it the name of the serang, manjee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and the number of days for which the ticket remains current.

6. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

7. The ticket shall be kept on board the vessel and in possession of the person in charge of the vessel and shall be produced for inspection when demanded by the person authorised to collect tolls, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 3 and 12 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provisions of section 9 of the Act.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one-quarter of the total tollage, subject to a minimum fee of one anna per ticket.

9. All vessels, whether the property of Crown, of District Board, or other local bodies or of private persons, are liable for toll except those specially exempted under these rules or by a resolution passed by the district board of Bakarganj from time to time.

10. The canal may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the canal may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

11. No rafts exceeding 50 feet in length and 5 feet in breadth shall be permitted to enter the canals.

12. The rate of toll shall be as follows:—

(*1*) On all vessels empty or laden per hundred maunds—Twelve annas.

(*2*) On all vessels empty or laden, for 12½ maunds or less—One anna six pies.

(*3*) On rafts of bamboos, grass, timber or other similar articles, not exceeding 50 feet in length and 5 feet in breadth—Six annas each raft.

Tolls shall be levied at Barisal or at Amanotganj near Barisal Chowk Bazar, at Kawnia near old cremation ground (at the west end of Jail khal), at Defulia near Baniakati bridge and at North Karapur (Bagadhi) at the west end.

13. For boats frequently using the canal, such as boats carrying passengers, grass or perishable articles monthly tickets will be issued at 10 times the ordinary toll.

14. Every vessel which has paid toll shall be allowed to remain in the canal for three days inclusive of the days of entry into and leaving the canal. A vessel remaining in any part of the canal longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the canal for more than one month, i.e., provided that this rule shall not apply to vessels holding monthly tickets under rule 13, which may remain in the canal for more than three days without payment of demurrage but not for more than one month at a time.

15. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the canal referred to in these rules while on duty, shall be liable for toll in the canal.

16. Any matter relating to the mode of collection of tolls and other relevant points, not provided for in these rules, shall be decided by the district board of Bakarganj at a meeting and such decision shall be subject to the approval of the Provincial Government.

Save as provided by the preceding rule, no reserved post shall be kept vacant for a period exceeding three months, unless the Governor-General, or the Governor, has reported the proposal to the Secretary of State with the statement of the reasons therefor, of the period for which it is proposed to keep the post vacant, of the provision made for the last incumbent of the post, and whether it is proposed to make any, and if so what, arrangements for the performance of the duties of the reserved post. If the Secretary of State directs that the post shall be filled the Governor-General or the Governor, as the case may be, shall forthwith appoint a person to fill it.

5.—(1) The posts specified in the Second Schedule to these rules shall be reserved so long as they are held by the Officers named against them.

(2) The Governor-General or the Governor, as the case may be, may leave unfilled any post to which this rule applies during the absence on leave of the person who has a lien upon it or while he is temporarily serving in another post.

6. The Governor-General or the Governor, as the case may be, may direct that two reserved posts shall be held jointly if he considers this necessary for the purpose of facilitating leave arrangements or for a period not exceeding three months for any other purpose.

7. Save with the consent of the Secretary of State, no change shall be made by direction of the provincial Government in the duties of the holder of any reserved post if in the opinion of the Governor-General or the Governor, as the case may be, the character of that post would thereby be altered.

Provided that nothing in this rule shall apply to a temporary change consequential on leave arrangements or to a change not consequential on leave arrangements which will not last more than three months.

8.—(1) Until the commencement of Part II of the Government of India Act, 1935, references in these rules to the Governor-General shall be construed as references to the Governor-General in Council.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 158L.—20th February 1939.—The Governor having been pleased to order, under rule 19 of the Bengal Legislative Council Rules, 1920, as modified and adapted for the Bengal Legislative Council and for the Bengal Legislative Assembly, respectively, under section 84(3) of the Government of India Act, 1935, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE CALCUTTA AND SUBURBAN POLICE (AMENDMENT) BILL, 1939.

A

BILL

further to amend the Calcutta Police Act, 1866 and the Calcutta Suburban Police Act, 1866.

WHEREAS it is expedient further to amend the Calcutta Police Act, 1866 and the Calcutta Suburban Police Act, 1866 in the manner hereinafter appearing ; Ben. Act IV of 1866. Ben. Act II of 1866.

It is hereby enacted as follows :

Short title and commencement.

1. (*1*) This Act may be called the Calcutta and Suburban Police (Amendment) Act, 1939.

(*2*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Insertion of new section 62D in Bengal Act IV of 1866.

2. After section 62C of the Calcutta Police Act, 1866 the following section shall be inserted, namely :—

"62D. The Commissioner of Police may, by order in writing, depute one or more Police-officers, not being below the rank of head constable, or other persons, to attend any public meeting for the purpose of causing a report to be taken of the proceedings of such meeting.

Power of Commissioner to cause reports to be taken of proceedings of public meetings.

Explanation.—For the purposes of this section a public meeting is any meeting which is open to the public or any class or portion of the public, and a meeting may be a public meeting notwithstanding that it is held in a private place and notwithstanding that admission thereto is restricted by ticket or otherwise."

Insertion of new section 39D in Bengal Act II of 1866.

3. After section 39C of the Calcutta Suburban Police Act, 1866 the following section shall be inserted, namely :—

"39D. The Commissioner of Police may, by order in writing, depute one or more Police-officers, not being below the rank of head constable, or other persons, to attend any public meeting for the purpose of causing a report to be taken of the proceedings of such meeting.

Power of Commissioner to cause reports to be taken of proceedings of public meetings.

Explanation.—For the purposes of this section a public meeting is any meeting which is open to the public or any class or portion of the public, and a meeting may be a public meeting notwithstanding that it is held in a private place and notwithstanding that admission thereto is restricted by ticket or otherwise."

STATEMENT OF OBJECTS AND REASONS.

Section 4 (*2*) of the Prevention of Seditious Meetings Act, 1911, empowers the District Magistrate or any Magistrate of the First Class, authorised by the District Magistrate, to depute one or more Police-officers, not below the rank of Head Constable, or other persons, to attend any public meeting for the purpose of causing a report to be taken of the proceedings.

The Commissioner of Police, Calcutta, is not mentioned in the sub-section, apparently by an oversight. The Prevention of Seditious Meetings Act, 1907, empowered any Officer of Police, not below the rank of Inspector, to cause reports to be taken; but, in 1911, the words "the District Magistrate or any Magistrate of the First Class, authorised by the District Magistrate in this behalf" were substituted for the words "any Officer of Police, not below the rank of an Inspector". The Commissioner of Police was thus excluded from the sub-section apparently by an oversight which this Bill is designed to remedy, in view of the importance of powers being available to secure reports of public meetings in Calcutta. Powers were available under the Bengal Public Security Act, 1932 but that Act lapsed on the 31st December 1938. The explanation of "public meeting" is taken from the Prevention of Seditious Meetings Act, 1911.
